

3900 South

Highland to 2300 East

August 4, 2009

CURRENT CONSTRUCTION ACTIVITIES

- What:** Geneva Rock will be milling pavement and excavating the roadway on the north side of 3900 South
- Where:** Along the entire length of 3900 South, from Honeycut Rd. to 2300 East. Some excavation and milling will extend into the side streets.
- Why:** In order to prepare for the new roadway and sidewalks.
- When:** Traffic shifting began on Monday, July 27, 2009 and will continue through September. Roadway milling and excavation began on Friday, July 21, 2009 and is expected to continue throughout the week.

This schedule is subject to change due to weather or equipment related issues.

UTA Bus Route: For safety reasons, UTA will be detouring route 39 during the length of this project. Buses will use 4500 South from Highland Drive to 2300 East.

30 mph Speed Limit: For safety reasons, the enforced speed limit during construction is **30 mph**. Motorists should reduce speeds, be aware of their surroundings, and be prepared to stop at any time.

Mail Delivery: Through the duration of the construction project, the US Post Office will not be delivering mail to the resident and businesses with mailboxes located on 3900 South. Mail will be held at the Holladay Branch, located at 2350 Arbor Lane (approx 4750 South), Salt Lake City, UT 84117.

Garbage Pick Up: During construction on the North side of 3900 South, residents/businesses located on the north side should carry their garbage cans through the portion of the road that is under construction to the edge of the pavement, in line with the orange construction barrels. Residents/businesses on the South side may place their garbage cans in their existing locations.

Beginning on Tuesday, August 4, 2009, garbage will be picked up promptly at 7 am. The contractor is willing to help residents along 3900 South who may not be able to accomplish this task. Please contact the public information team if you would like assistance.
